Term two finished in a flurry with numerous events occurring around the teaching and learning program. In particular our **Year Six** students have had a range of activities that have focused on their development with various personal challenges and team building activities whilst they participated in, at the end of last term – **Health and Wellbeing Forum** and **Leadership Camp**. This term they participated in the **Young Writers** program at CBHS.

Congratulations to the **Merit Award winners** and **Attendance Award winners** at our last **assembly**. Well done to the **Room 4** students who performed a brilliant rendition of the **Twits**, with outstanding characters and decoration of the library to set the scene. Thank you also to Room 2 for sharing some of their classroom learning with us.

During the last week of term, students participated in some whole school and classroom activities to celebrate **NAIDOC Week**. Please see our photo page of activities.

Parents should have received their child's **Formal Semester Report** via email link during the last week of term. Thank you to the parents and staff whom have participate in feedback interviews over the last two Wednesdays. As always, if you would like to discuss your child's performance or feedback any concerns, please contact your child's teacher via the office or Seesaw App.

Students participated in the **Faction Cross Country** on Friday 19 July. Congratulations to our division winners and all who participated:

Junior Champion Boy	Jake Thurkle	5.01
Junior Champion Girl	Isla Hope	5.20
Intermediate Champion Boy	Callum Levett	7.39
Intermediate Champion Girl	Lilly Tilka	8.26
Senior Champion Boy	Cooper Tilka	9.39
Senior Champion Girl	Mikayla Cole	10.42

Best wishes to our students representing Walkaway PS at the NCVISSA Cross Country tomorrow.

Musica Viva visited our school, Wednesday week 2. This was made possible by our students who performed last Year at Mingenew Expo as funds received from this event went toward this musical incursion. The String Quartet Phoenix performed an array of music and interactive pieces which combine with classroom music activities that Mrs Milnes and Mr Clune have been practicing with their respective music classes. Lets see how we go this year at Mingenew Expo!

Kind regards,

Phil Epps Principal
